# ABOUT US

USG is a privately owned multi-facets group of companies, established in Abu Dhabi 2019. The group is a vibrant and leading business group with its headquarters at Abu Dhabi-United Arab Emirates.

The group is engaged in delivering comprehensive products & solutions Information Technology industries as well as Management services. We have never compromised the quality & the services provided to the customers. We believe in keeping customers happy providing them products/services at a very competent price. Our excellent staff who will guide you with their best ideas by keeping in constant touch with your company and informing about the market trend.

We aim to develop innovative, sustainable solutions to our clients within the given time span. Our “can-do approach enables us to develop long-term mutually beneficial business relationships and become a partner of their primary choice.

USG group always provide quality products and services towards the requirement of clients. The group focuses on the ultimate satisfaction of the clients in order to achieve long-term business relationship rather than short-term benefits.

USG being a business group committed to provide excellence and always keep priority for reliability and professionalism. The confidence, reliability and satisfaction of our valued clients have transformed us to a business group from the base level of a normal entrepreneur.

# MESSAGE FROM OUR EXECUTIVE DIRECTOR

As the Executive Director of the United Stars Group, I have had the opportunity to work with a community of dedicated staff, industry specialists, and technical professionals who share the mission of providing the highest quality products and services to meet all the needs of all customers.

USG's approach is truly one of group activities, and we provide a wide range of services in the service sector for local business investors, foreign investors, and young entrepreneurs who need support to start a new business or grow their existing business.

It is an honor to be able to contribute to such a valuable mission and purpose.

Looking forward to continuing our invaluable services in the near future with you and the rest of the USG community.

*Zahiru Bandara*  
Executive Director

# OUR MISSION, VISION, & VALUES

## OUR MISSION

"Simplicity, professionalism and advancement"

Our mission is to provide our clients with the highest services quality, on time and budget delivery. We shall achieve this by creating a partnership between our employees, and managers, focused on executing our projects on Time, under Budget, and within the Quality requirements, as well, to deliver to our partners what we promise them, and strive to exceed their expectations.

## OUR VISION

The group's vision is to seek continues improvements for the quality of life for our partners by continuously improving our products, services, and delivery Systems.

## OUR VALUES

USG is committed to a values-based, high-performance and effectiveness-driven culture. At the heart of USG are our guiding values of Integrity, Respect, Collaboration, Excellence and Leadership.

Our values represent an unbreakable chain of behaviors, and a process that embodies the nature of how we operate.

At USG, we believe that our value was gained by our:

- Development of long-term relationships with customers and employees.
- Conduct business a responsible and sustainable way.
- Value and respect the contribution of team members.
- Encourage collaboration in every action.
- Maintain company principles with strong emphasis on team effort.

# Gulf-Israel Green Ventures

*Gulf-Israel Green Ventures brings together Gulf and Israeli green technologies, entrepreneurs and businesses, in order to create a more sustainable future for the Middle East.*

*We understand that the key to maintaining the region's economic growth, while meeting environmental goals, is green innovation.*

*We work with leading Gulf and Israeli businesses, institutions and investors to facilitate relationships between cutting-edge companies, and entities looking to reduce their environmental footprint, generate business value and increase profitability.*

## *Our Areas of Focus,*

- *Energy Efficiency*
- *Renewable Energy*
- *Waste & Recycling*
- *Water*
- *Smart Agriculture*
- *Green Construction*
- *Air Quality and Indoor Environment*
- *Low-Carbon Mobility*
- *Research and Policy*

*Gulf-Israel Green Ventures combines deep expertise regarding Israel's Greentech ecosystem, comprised of over 600 companies, and an extensive network of relationships in the UAE, Bahrain and other Gulf States.*

*We work with Gulf companies and entities looking to integrate, distribute or invest in green technologies, and Israeli Greentech companies looking to bring their technologies and services to the Gulf.*

*We facilitate business deals from A to Z, from initial consultation and introductions, to the successful conclusion of agreements and establishment of meaningful business relationships.*

*In addition, Gulf-Israel Green Ventures brings together experts, policy-makers and entrepreneurs to exchange research and insights on pressing sustainable development issues facing the Middle East.*
